

Willeson Participates in Marcel Colomb First Nation Hamper Drive

Pictured from L-R: Councilor Don McCallum; Councilor Celestine Hart; Valerie Pascale, Community Engagement Specialist, Willeson Metals; Douglas Hart, Advisor to Chief and Council; and Ian Trinder, VP Exploration, Willeson Metals

Willeson was honoured to participate in Marcel Colomb First Nation's Christmas Hamper Drive, which delivered food and gifts to families within the Marcel Colomb community. This drive helped provide relief from inflated prices of turkeys, vegetables, toys and other traditional items that cost much more than market value in the far north areas of Canada. Willeson Metals values its ongoing and collaborative relationship with Marcel Colomb First Nation
